

# {Warm Memories}

DESIGNER

Kansas Troubles

We gather with family and friends throughout the Christmas season to share food, laughter and good times. Memories are made and tucked away safely in our hearts. As the months go by and our busy days slip away, we can savor the warm memories of time spent with loved ones during the holidays. As you add an ornament each day to your feather tree, take a moment to remember an old friend, a new friend or a loved one passed and give yourself permission to take the time to create new Warm Memories.
