

We enjoy living in the country, watching the signs as nature announces the changing seasons. Cattails herald the cooler days of fall as their fuzzy brown heads burst into fluffy white seeds. The grankids enjoy helping me collect the seeds to stuff pincushions or save in a jar. Cattails & Clover's warm palette and collection of autumn prints reminds me of nature's last burst of rich color in the fall. Cattail Creek is a delightfully easy quilt with fuzzy brown strips along a curving raw edge path. It's the perfect companion for those cool autumn evenings curled up on the porch.
