

Lucy's Crab Shack

by Sweetwater

Lucy's Crab Shack was so much fun to design. We were anxious to do a kid's line, but had so many ideas that the hardest part was choosing just one theme. We decided on a sunny, beach inspired collection that would appeal to both boys and girls. Of course, most girls will like all the colors, but we included shades of blue, green and orange for the boys. When stacked together, the collection looks like pure summer! As for the name, I'm not quite sure how we came up with that. I just think the name Lucy sounds fun! We hope you have as much fun sewing with this collection as we did designing it.
