

Holiday Traditions

Every year, when the pond would freeze over, my brothers and I would bundle up with layers upon layers, grab our ice skates and spend hours playing hockey, perfecting our salchows (or pretending we could), and when our feet couldn't take anymore, we would take our skates off to build the most perfect snowman - marking the beginning of a long, cold winter with many more visits to the frozen pond to come.

Sweet CHRISTMAS URBAN CHIKS

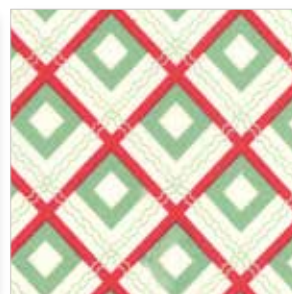

Dressed to the nines in his best top hat, scarf and mittens, this jolly snowman is sure to delight during this magical time of year. With his pink cheeks and button nose, this winter fellow was the inspiration for Sweet Christmas. Peppermint polka dots and candy canes mix with poinsettias and bows to make this the Sweetest Christmas yet!
