

# MACKINAC ISLAND

Minick & Simpson

Mackinac Island is a bucket list destination, a beautiful island with old-world charm that can only be reached by boat. Filled with Victorian homes, horse-drawn carriages and a past rich with history dating back to the Revolutionary War, it's a place you never want to leave.

This new collection is inspired by all these things - crystal clear blues reflect the water of Lake Michigan and contrast with the reds and pinks of the ubiquitous geraniums. They're set against the crisp whites of the Grand Hotel. And we couldn't have a Mackinac Island collection without patriotic stars and stripes.
