

# Merry and Bright

ME and MY *sister* DESIGNS

There is plenty of snow on the ground, and the air is cold and crisp. It's the perfect time for building a snowman. Or for staying inside to wrap holiday packages and hang candy canes on the tree.

Prints in traditional bright red and green remind us of vintage wrapping paper and holiday cards. Merry and Bright will warm the wintry nights, and bring back special memories.

With Santa's stamp of approval, this collection is ready for sewing!
