FABRICS + SUPPLIES®

Grab your Stilettos and your Little Black Dress, it is time for a Date Night!

Date Night has all the beautiful neutrals you've come to love from the Little Black Dress line up. Warm sophisticated blacks fade into sumptuous creams, while luxurious caramels tantalise the pallet. A bouquet of dynamic florals greet you at the door, a perfect start to the evening. Delicate leafy tendrils weave their way into lovely polka dotted fishnets as you sit down for a meal for two.

Stunningly intricate lace and the sweetest X's create the perfect piano music that fills the air. After dinner, the bold graphic typography gets you moving to a heart throbbing tango. As the night comes to an end, an all new assortment of quilt designs invites you to walk the quiet streets as you make your way home to bed.

We hope you have as much joy sewing with our new collection as you did on your first Date Night.
