

Dear Friends,

I've always had a soft spot for handwritten letters. The simple act of sending a little piece of your heart through the mail can bring a loved one so much happiness.

Salutations is a celebration of not just stationery but also thoughtfulness, connection, and the joy of receiving something crafted just for you!

I hope this fabric finds you well and that you love it as much as I enjoyed creating it for you!

With love and  
creativity,  
Rashida

# RASHIDA'S HIGHLIGHTS

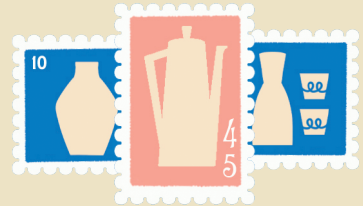

My favorite item on the Tools print is the White Out bottle! I remember the first time I was old enough to have my OWN bottle. I thought I was so cool and grown up!

Washi Tape is one of my classic prints that first debuted 12 years ago so I'm super excited to be bringing it back in a new way.

## RASHIDA'S SPECIAL STAMPS

The number 5 is a special one for me, as it represents just me and my 4 babies and also my extended RSS family!

The stamps below are of places that are dear to my heart. The beach, represents my Caribbean roots. Mt. Fuji, my beloved Japan. Oranges for my home state, Florida. Golden Gate Bridge, where I live now in California!
